Lori, Eric, Chip, & Deb,  
I understand EPA is composing a written response to a number of questions regarding ARARs the LWG posed to EPA in their 2/1/10 e-mail. The purpose of my e-mail is to provide the State's perspective on the LWG's questions & language you can consider incorporating into your response to the LWG. My input is organized based on the LWG's 2/1 "Table 1- ARARs Questions for February 4, 2010 Meeting with EPA", & is in the attached Word document.

Hi, Kurt and Jim. Will you be sending your responses to the LWG's questions on State ARARs today? I hope to get answers back no later than tomorrow as I am out of the office starting Thursday for a week. If you can't get answers today, we will send EPA's answers and can send the state's later. Thanks.
